To whom it may concern,

Dear Sirs,

RE: Woodville 2024 Account update

We're writing to provide an update on the financial performance of Woodville Consultants.

Our business has experienced huge growth in the last three years, and we would like to express our appreciation for the incredible support we have received from our network.

Woodville continues to meet all due payments to investors in full and on time.

We are delighted to confirm that the company remains profitable.

Work on our 2024 Audited accounts is progressing smoothly and is on schedule for filing by the due date of the end of September 2025.

We are now in the final stages of this process, and we look forward to sharing audited financial statements that reflect our growth and profitability by the end of September 2025.

May we take this opportunity of thanking you once again for the continued support you provide to Woodville, which as always is hugely appreciated

Yours sincerely
