To Whom It May Concern

RE: Talisman Casualty LLC – Capital Coverage

We would like to thank you for your recent investment into Woodville Consultants Limited. We hope you have been pleased by the service and investment performance to date.

This letter has been prepared to explain about investor protection offered in the Woodville investment. We offer an additional layer of security by way of a capital coverage bond, which is issued by an A rated Insurer Talisman Casualty LLC.

For the avoidance of doubt, in the unlikely event that the law firm or Woodville fails to repay your capital, the Talisman Casualty LLC will repay the investor's capital.

In the event of default, addendum 14.8 has been included in the bonds to ensure that payment is made directly to the investor in a case of default, reducing any corporate risk on behalf of Woodville.

The claim process would be as follows:

- If 14 days after the loan maturity date payment has not been made to you, the investor makes a claim to Woodville.
- If Woodville then does not pay within the 28 days, the investor can then make the claim directly to Talisman by email or letter
- Talisman will then deal directly with you to handle the claim and payment

May I once again take this opportunity to thank you for your recent investment. If you have any questions, or require further assistance, please contact ourselves or your Introducer.

Yours sincerely

Peter Legge
Director
Woodville Consultants Ltd
