To Whom It May Concern,

**RE: Woodville update and associated coupon payments – April 2024**

We are pleased to confirm that following the issuance of our 2022 accounts, Woodville Consultants Limited, remained profitable in Q1 & Q2 of this year. All due coupons met, and the company remains in good financial stability and profit, after coupons have been met.

There is considerable exciting news being released surrounding the litigation funding market, predominantly in the PCP claims sector. We have also recently issued a document titled “Woodville Consultants Commentary on the PCP Marketplace” dated 25<sup>th</sup> April 2024 which provides further information on this matter.

I am pleased to confirm that Woodville Consultants Limited has transferred a total of 767 coupon payments to investors during the month of April 2024.

Total GBP coupon payments:	229
Total USD coupon payments:	341
Total EUR coupon payments:	173
Total ILS coupon payments:	16
Total SEK coupon payments:	1
Total CHF coupon payments:	4
Total AUD coupon payments:	1
Total CAD coupon payments:	1
Total YEN coupon payments:	1

**Total: 767**

Yours sincerely
