5. Edit the term in years, percentages and the amount of the illustration, you can select the currency and the contribution frequency too; click on Calculate button:

The screenshot shows a web form titled 'Details' for 'VANTAGE PLATINUM WORLDWIDE'. The form is divided into several sections:

- Contract Details:** Contract Currency (U.S. Dollar), Exchange Rate for Monetary Charges (1.26 GBP » USD), Contract Term (Yrs) (13), and Contract Start Date (27/07/2020).
- Advisor Details:** Fund Advisor Fee (%) (0.00) and Intermediary Enhancement (%) (0). A note states: 'For this Product, Intermediary Enhancement is a reduction in the Initial Period. 0-100%'.
- Unit Price Growth Rate:** Three input fields for Low (3.00), Central (8.00), and Higher (9.00).
- Illustration Details:** Radio buttons for 'Specify Contribution' (selected) and 'Calculate Contribution'. Fields for Contribution Start Date (27/07/2020), Total Payments (156), Contribution Frequency (Monthly), and Contribution Amount (350). There is also a checkbox for 'Withdrawals'.
- Death Benefit:** A checkbox for 'Death Benefit'.

At the bottom of the form, there are several checkboxes: 'Show signature box on Output', 'Show Charges on Output', 'Show Graph', and 'Compact Output Table'. A 'Cancel' button is on the left, and 'Back' and 'Calculate' buttons are on the right. A red arrow points to the 'Calculate' button. The 'Contract Term (Yrs)' field and the 'Unit Price Growth Rate' section are also circled in red.

After this you can download it as PDF and print it if case.

Please let me know if you have further queries.

Best regards.
