Please refer to the offering documents for any further fees or information.

XHE Capital's Managed Equity Fund takes long term core positions in global equity markets whilst actively trading both momentum and reversal movements across markets. Managed Equity aims to provide better risk adjusted performance than the MSCI World Index over the long term.

XHE Capital's Managed Equity takes short to medium term momentum and reversal positions across equity markets in the Americas, Europe and Asia. Managed Equity is able to take both long and short index positions which aim to "protect" during a negative environment and aim to "enhance" with uncorrelated upside. Managed Equity manages relative volatility and risk through its proprietary risk management system.

XHE Capital LLP is authorised and regulated by the FCA in the United Kingdom. XHE Capital LLP is authorised and regulated by the FCA as both a MiFID investment manager and Alternative Investment Fund Manager (AIFM). XHE Capital Limited is authorised by the FSC. Please see the offering documents for further information. Past performance is not indicative of future performance.
