IMPORTANT NOTES

Withdrawals

Any withdrawals taken from your policy will be subject to the minimum withdrawal amounts as detailed in your policy literature. The withdrawal amount may need to be reduced if it will take your policy below the minimum allowable policy value.

Tax

UK residents may be subject to a tax charge if withdrawals are in excess of the 5% cumulative withdrawals available (of initial and any additional investments) in any given policy year. The tax treatment of withdrawals paid from your policy will depend upon your personal circumstances at that time. We recommend that you speak to your financial adviser or tax professional about your tax situation before taking action on your policy.

General

Depending on the investment(s) to which the value of your policy is linked, some investment managers may have terms and conditions that prevent us from realising a cash value in a timely fashion, and this could delay your withdrawal payment.

Where applicable, please ensure that the authorised signatory list(s) that we hold for this policy are up-to-date before submitting withdrawal instructions. Where authorised signatories have changed and we are unable to match those on this form with our records, this will delay the withdrawal. We may also require further information for the purposes of Anti-Money Laundering.

Specified US Person means a US citizen or tax resident individual who has a US residential/correspondence address or who either holds a US Passport, a US Green Card or who was born in the US and has not yet renounced their US citizenship. More information on US FATCA can be found at: www.irs.gov/Businesses/Corporations/Foreign-Account-Tax-Compliance-Act-FATCA.
