

The Investment Platform and Linear Investments

The Investment Platform (TiP) are pleased to announce that they have partnered with Linear Investments Limited. Linear will be providing custodian services to TiP.

Linear are regulated in the UK and have been providing execution, prime brokerage and custody services to the professional financial sector since 2010. They pride themselves on being a one-stop destination for emerging managers, Family Offices, proprietary trading groups and broker dealers across the UK, Europe, Asia and the Middle East.

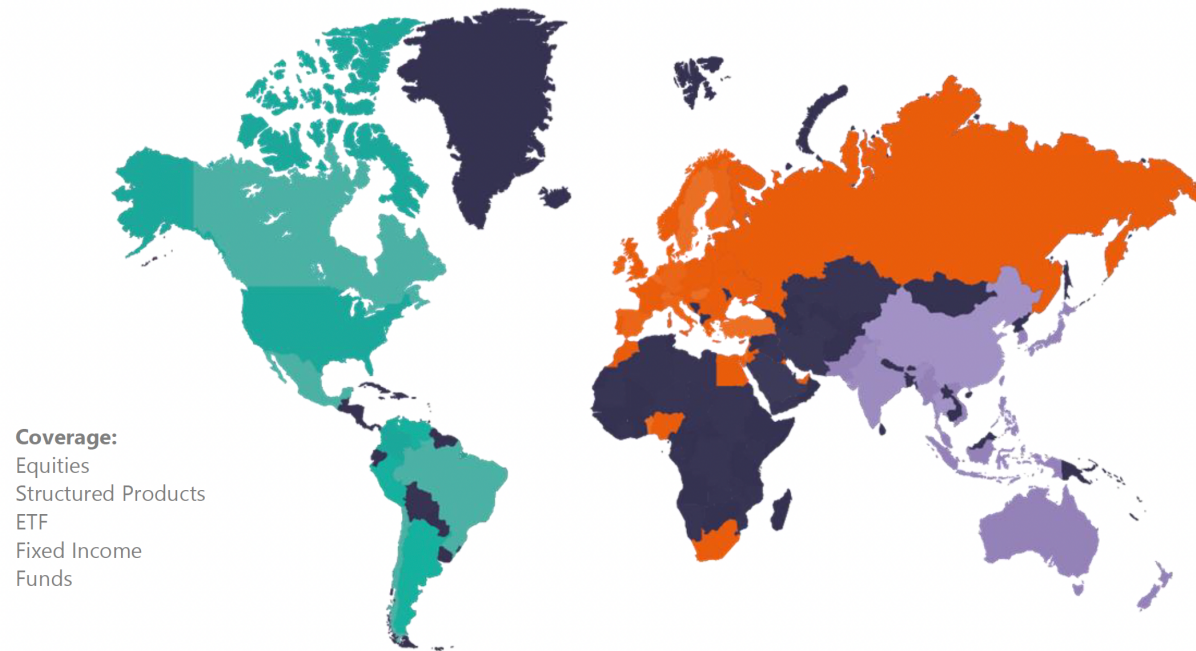

Safekeeping of assets is achieved through the use of their CASS or segregated custody services, and they provide access to most global equity markets and all key financial instruments, Equities, ETF's, Fixed Income and FX. They are also staffed on a 24/6 basis allowing for maximum client support.

Linear have over \$1.7Bn in Assets under custody with offices in both London and Dubai, which allows them to provide 24/6 market coverage, and they are able to provide global execution in numerous jurisdictions, including all of the major financial centres of the world. As can be seen in the graphic on the page below.

The addition of Linear Investments as a custodian for The Investment Platform has been welcomed by our clients and offers TiP further diversity which is only to be welcomed.
