

TOP 10 REASONS

TO INVEST IN ORANGE RIVER CAPITAL

1. EMERGING MARKET

Cannabis represents the most profitable cash crop, by more than 75 times the value of Grapes, 150 times of Sugar Cane. Its industry's potential is a massive draw for many investors.

2. EXPONENTIAL GROWTH CURVE

The market should expand for cannabis both recreationally, because of legalization, but also medicinally, thanks to the wide range of potential benefits and therapeutic applications the herb offers. More and more countries are legalizing the research and use of medical cannabis.

3. ATTRACTIVE PROJECTED VALUATION

ORW has a projected valuation of over 150 million USD dollars when current expansion plans are fulfilled.

4. PERFECT LOCATION OF EXPORT MARKET

South Africa is poised to compete in the export market with low production costs and optimal climate for growing cannabis cultures.

5. PREFERRED DIVIDEND

Preferred stockholders enjoy priority in receiving such dividends as compared to common stock which means the company has to first discharge the liability of preferred dividends.

6. PROTECTION AGAINST INFLATION

With a fixed paid preferred dividend of 15% the return offered is superior to the inflation rate.

7. A SIGNIFICANT MEDICAL DISCOVERY

Containing over 60 active cannabinoids which are physiologically matched to human biology, cannabis derived pharmaceuticals have broken new ground in the treatment of some of the worst conditions to afflict the human health.

8. PROTECTION AGAINST MARKET VOLATILITY

ORC offers returns uncorrelated to financial markets. This is particularly attractive in times of uncertainty for financial markets, or when a financial bubble is feared.

9. DIVERSIFICATION

ORC offers the possibility to diversify into a new kind of asset. Stocks, bonds, and mutual funds may represent up to 100% of the least diversified investors' asset allocation. Medical cannabis offers a chance to investors to invest in a new asset class.

10. AFFORDABLE MINIMUM

Investors can participate with as low an investment as \$25,000.
