Application process

Step 1

Gather the documents:

- ID/Passport
- Proof of address (no more than 3 months old and must be under the customer's name)
- Bank statement of the account from which the customer will transfer the funds
- Woodville Application

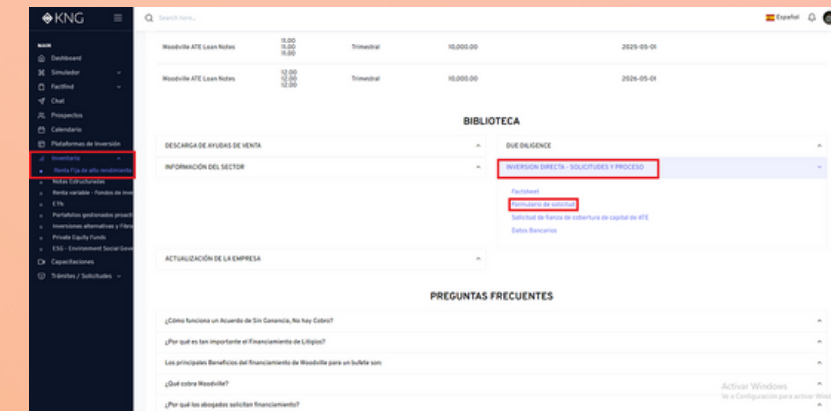

Step 2

Submit the application along with the support documents. Remember that the documents can be original copies, scanned copies, or DocuSign copies. Upload the completed documents to the KNG portal.

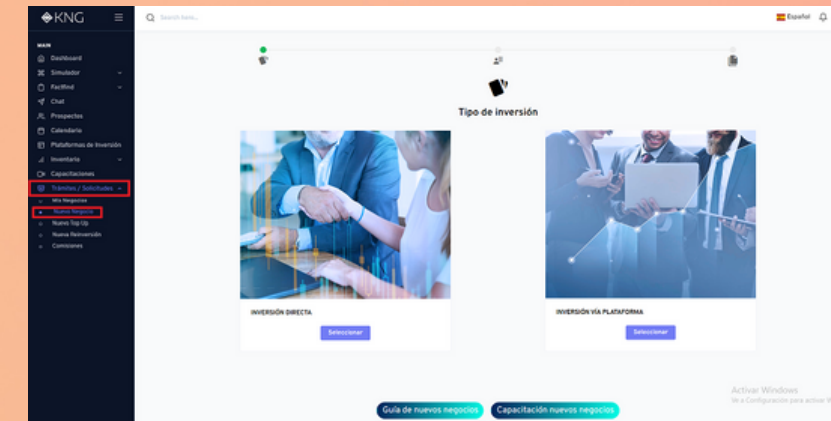

Note: Remember that KNG can make it easy for you to obtain customer signatures via DocuSign.

Step 3

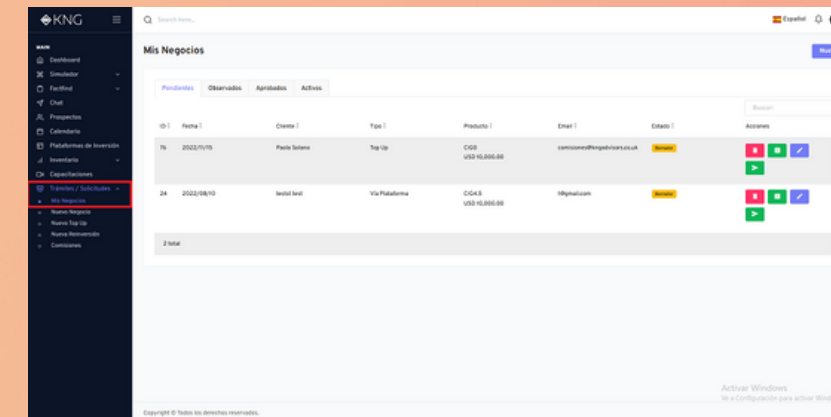

KNG's administrative team will review the application, if changes need to be made, your business will show under the Pending tab. If everything is in order, the status of the application will be changed to Approved, and KNG will take care of sending the documents to be signed.

The application form can be found in the inventory section of the KNG website, in the Woodville section.

To upload your client's documents, on the left side menu select the option Procedures/Applications, then New Business.

On the My Business tab of the KNG portal, you can monitor the status of the application.

Step 4

After the client has signed the application, all documents are sent to Woodville for review.
The security trustee conducts an AML (anti-money laundering) check.

Note: The review process takes 2 to 5 business days.

Step 5

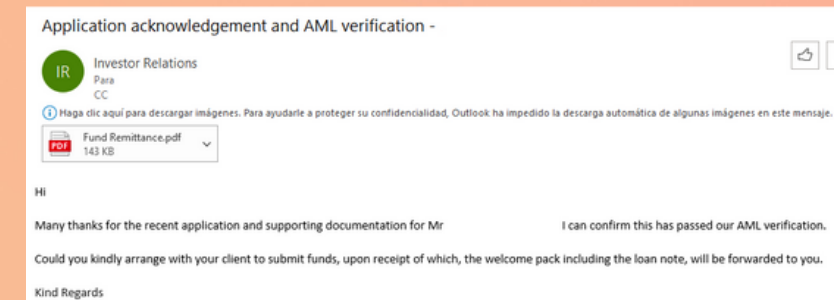

The company accepts, conditionally accepts, or rejects the request (or may request more KYC data).

Should Woodville request additional KYC data, you will be notified immediately. KNG will also assist you during the process to send any additional requirements that may be requested.

Step 6

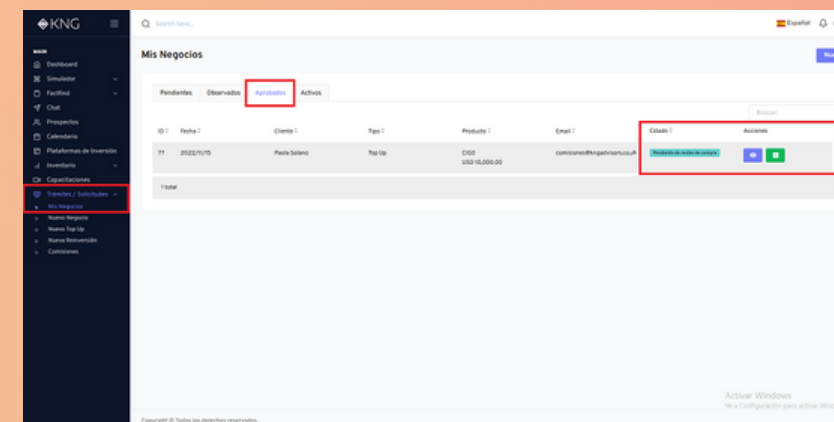

After the company accepts the customer, an email is sent with the bank details for the customer to transfer the funds.

Example of the confirmation email. It includes specific details and the reference for the client to send the funds.

Step 7

Request SWIFT receipt from customer. Advisor uploads SWIFT receipt to KNG portal, KNG sends it to Woodville.

The SWIFT receipt is uploaded in the customer data tab, on the right side you will see a column that says Actions, and when you click on the blue check mark a window will pop up asking for Upload payment receipt.

Step 8

The investment team will confirm receipt of the funds by email and prepare the welcome package, which contains the welcome letter and the investment contract, which must be signed by the client.

KNG will send you a confirmation email when Woodville receives the customer's funds.

Step 9

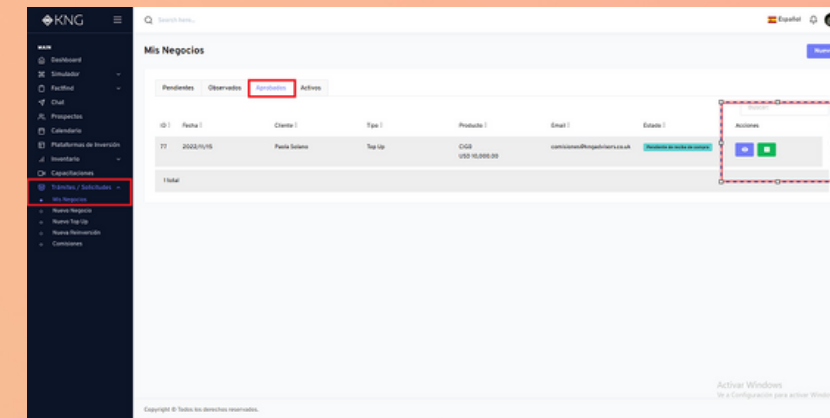

The customer must sign the contract included in the welcome package, once signed, it is uploaded to the KNG portal. KNG will forward the signed contract to Woodville, to be kept in the client's records.

For investments over \$100,000 USD, you can also apply for additional insurance with Talisman, the form is available on the KNG website in the Woodville section.

Step 10

Upload signed contract to KNG portal to generate the commissions

In the KNG portal, under the client tab, upload a copy of the contract in order to generate your commissions for this business.

Continuous Attention

Our administrative team constantly monitors investments to ensure that all paperwork is in order and that coupon payments are being made on time.

1 to 2 months before the investment expires, we will give notice for the client to decide if they want their investment returned along with their last coupon payment, or if they wish to reinvest.

Additional support

KNG can support you by sending the documents by DocuSign to obtain the client's signatures electronically.

Our administrative team is available for any questions, you can contact us at the following email: admin@kngadvisors.co.uk
