About the Project

Seventy Ninth Luxury Living Five is a subsidiary of the Seventy Ninth Group, which has been formed for the acquisition, management and development of holiday park assets across the United Kingdom.

Over the past two years, the Webster Family (Owners of the Seventy Ninth Group) have identified a high yielding business model that outperforms many other Real Estate assets throughout the UK & Europe.

Following two years of economic turmoil caused by the COVID-19 pandemic, and further market turbulence ahead, UK holiday park companies have been left exposed financially due to relying on income driven assets such as holiday lodges and staycations.

Seventy Ninth Group has agreed the purchase of three renowned holiday parks from a financially distressed park operator. Seventy Ninth Luxury Living Five will set the industry standard for investors across the globe, providing exposure to an extremely lucrative opportunity that we believe is an untapped sector of the real estate market, and is seeing year on year growth due to the aftermath of the COVID-19 pandemic, creating an opportunity for the Seventy Ninth Group to implement its business model once again.

This Product Fact Sheet should be read in conjunction with the **Information Memorandum** (available on request), which provides full details on risk factors.
