Loan notes arising on conversion of the Notes shall be issued and allotted by the Company on the Conversion Date and the certificates for such loan notes shall be despatched to the persons entitled to them at their own risk. Each Share arising on conversion shall be issued and allotted at the Conversion Price.

Loan notes arising on conversion of the Loan Notes shall be credited as fully paid and having the rights set-out in the Articles, and shall carry the right to receive all dividends and other distributions declared after the Conversion Date.

The entitlement of a Subscriber to a fraction of a Share shall be rounded to the nearest whole number of loan notes which result from the conversion of the Loan Notes.

The Company undertakes that, while the Loan Notes remain in issue, it shall (pending either the payment of any redemption moneys in respect of the Loan Notes or the issue of the loan notes on conversion, each in accordance with the provisions of this Deed):

- (a) not alter the Articles in any way which would adversely affect the rights of the Noteholders without the prior sanction of a Special Resolution; and
- (b) maintain sufficient authorised but unissued Equity Securities in the Company to satisfy in full, without the need for the passing of any further resolutions of its shareholders, the most onerous of the outstanding rights of conversion for the time being attaching to the Notes.

9.8 Fair Value

If the "Fair Value" of a Share is to be determined for the purposes of the calculation of the Conversion Price then it shall be determined by an Independent Expert and the following provisions shall apply. Fair Value will be determined by the Independent Expert, first valuing the Company as a whole:

- (a) assuming, if the Company is then carrying on business as a going concern, that it will continue to do so;
- (b) assuming that the entire issued share capital of the Company is being sold as between a willing buyer and a willing seller by arm's-length private treaty for cash payable in full on completion;
- (c) taking account of any loan notes which may be allotted pursuant to options which have been issued by the Company and which are still outstanding;
- (d) taking account of any bona fide offer for the Company received from an unconnected third party within 6 months prior to the Conversion Notice being served or deemed to have been served;
- (e) taking into account any sums due under the Loan Notes; and
- (f) having valued the Company as a whole, the Independent Expert will determine the Market Value of the loan notes concerned disregarding whether the loan notes concerned represent a majority or a minority interest. The Independent Expert will act as expert and not as arbitrator and their costs will be borne by the Company. The written certificate of the Independent Expert will be conclusive and binding on the Company and the Subscriber (except in the case of fraud or manifest error).

10. Taxation

10.1 Withholding

To the extent required by law, payments of principal and interest in respect of the Loan Notes by or on behalf of the Company shall be made subject to withholding and/or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature ("Taxes") imposed or levied by or on behalf of the United Kingdom or any political subdivision or authority thereof or therein having power to tax or any other jurisdiction or any political subdivision or authority thereof or therein having power to tax to which the Company becomes subject in respect of payments made by it of principal and interest on the Loan Notes.

10.2 The Company shall issue a certificate of deduction of tax in respect of any withholding or deduction made in accordance with Condition 10.1 (Withholding) as soon as reasonably practicable.

10.3 The payments of principal and interest in respect of the Loan Notes by or on behalf of the Company shall be free and clear of withholding or deduction except for any withholding or deduction made in accordance with Condition 10.1 (Withholding).

10.4 No obligation to pay additional amounts

Neither the Company, the Trustee nor the Paying Agent shall be obliged to pay any additional amounts to the Subscribers as a result of any withholding or deduction made in accordance with Condition 10.1 (Withholding).

11. Prescription

Claims in respect of the Loan Notes will become void unless made within a period of 10 years (in the case of principal) and 5 years (in the case of interest) after the Relevant Date therefor.

12. Events of Default and Enforcement

12.1 Events of Default

The Trustee at its discretion may, and if so requested in writing by the holders of at least 75 per cent in principal amount of the Loan Notes then outstanding or if so directed by an Extraordinary Resolution (subject in each case to being secured and/ or indemnified to its satisfaction) shall (but in the case of the happening of any of the events described in paragraphs 12.1(b) and (i) below, only if the Trustee shall have certified in writing to the Company that such event is, in its reasonable opinion, materially prejudicial to the interests of the Subscribers), give notice in writing within 15 Business Days upon becoming aware of the occurrence of any Event of Default (an "Acceleration Notice") to the Company that the Loan Notes are, and the Loan Notes shall thereupon immediately become, due and repayable at their principal amount together with accrued interest as provided in the Trust Deed if any of the following events (each, an "Event of Default") shall occur:

- (a) if default is made in the payment of any principal or interest due in respect of the Loan Notes or any of them and the default continues for a period of 90 calendar days; or
- (b) if the Company fails in any material respect to perform or observe any of its other obligations under, or in respect of, these Conditions, the Trust Deed or the Security Deed or if any representation given by the Company to the Trustee in the Trust Deed or the Security Deed is found to be materially untrue, incorrect or misleading as at the time it was given and (except in any case where, in the reasonable opinion of the Trustee, the failure or inaccuracy is incapable of remedy) the failure or inaccuracy continues for a period of 30 calendar days next following the service by the Trustee on the Company of notice requiring the same to be remedied; or
- (c) (A) any other present or future indebtedness of the Company for or in respect of moneys borrowed or raised becomes due and payable prior to its stated maturity by reason of any actual or potential default, event of default or the like (howsoever described), or (B) any such indebtedness is not paid when due or, as the case may be, within any applicable grace period, or (C) the Company fails to pay when due any amount payable by it under any present or future guarantee for, or indemnity in respect of, any moneys borrowed or raised provided that the aggregate amount of the relevant indebtedness, guarantees and indemnities in respect of which one or more of the events mentioned above in this paragraph (c) have occurred equals or exceeds \$50,000 or its equivalent in other currencies (as reasonably determined by the Trustee); or
- (d) if any order is made by any competent court or resolution passed for the winding-up or dissolution of the Company save for the purposes of reorganisation on terms previously approved in writing by the Trustee or by an Extraordinary Resolution; or
- (e) if the Company ceases or threatens to cease to carry on the whole or, in the opinion of the Trustee, a substantial part of its business, save for the purposes of reorganisation on terms previously approved in writing by the Trustee or by an Extraordinary Resolution; or
- (f) if the Company stops or threatens to stop payment of, or is unable to, or admits inability to, pay, its debts (or any class of its debts) as they fall due, or is deemed unable to pay its debts pursuant to or for the purposes of any applicable law, or is adjudicated or found bankrupt or insolvent; or
- (g) if (A) proceedings are initiated against the Company under any applicable liquidation, insolvency, composition, reorganisation or other similar laws, or an application is made (or documents filed with a court) for the appointment of an administrative or other receiver, liquidator, manager, administrator or other similar official, or an administrative or other receiver, liquidator, manager, administrator or other similar official is appointed, in relation to the Company or, as the case may be, in relation to all or substantially all of the Company's undertaking or assets, or an encumbrancer takes possession of all or substantially all of the Company's undertaking or assets, or a distress, execution, attachment, sequestration or other process is levied, enforced upon, sued out or put in force against all or substantially all of the Company's undertaking or assets and (B) in any case (other than the appointment of an administrator) is not discharged within 14 calendar days; or

- (h) if the Company initiates or consents to judicial proceedings relating to itself under any applicable liquidation, insolvency, composition, reorganisation or other similar laws (including the obtaining of a moratorium); or
- (i) if the Company makes a conveyance or assignment for the benefit of, or enters into any composition or other arrangement with, its creditors generally (or any class of its creditors) or any meeting is convened to consider a proposal for an arrangement or composition with its creditors generally (or any class of its creditors); or
- (j) if it is or will become unlawful for the Company to perform or comply with any of its obligations under or in respect of the Loan Notes, the Trust Deed or the Security Deed.

12.2 Enforcement

The Trustee may at any time, at its discretion and without notice, take such proceedings and/or other steps or action (including lodging an appeal in any proceedings) against or in relation to the Company (or any of its subsidiaries) as it may think fit to enforce the provisions of the Trust Deed, the Security Deed or otherwise, including (without limitation) the right to require the Company to take steps to enforce any security it may hold from time to time in respect of or in connection with the assets and undertaking of any of its subsidiaries, but the Trustee shall not be bound to take any such proceedings or other steps or action in relation to the Trust Deed, the Security Deed or otherwise unless (i) it shall have been so directed by an Extraordinary Resolution or so requested in writing by the holders of at least 75 per cent in principal amount of the Loan Notes then outstanding and (ii) it shall have been secured and/or indemnified to its satisfaction. No Subscriber shall be entitled to (i) take any steps or action against the Company to enforce the performance of any of the provisions of the Trust Deed or the Security Deed; or (ii) take any other action (including lodging an appeal in any proceedings) in respect of or concerning the Company, in each case unless the Trustee, having become bound so to take any such steps, actions or proceedings, fails so to do within a reasonable period and the failure shall be continuing.

13. Meetings of Subscribers, Modification and Waiver

13.1 Meetings of Subscribers

The Trust Deed contains provisions for convening meetings of the Subscribers to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of any of the provisions of the Trust Deed (including these Conditions) or the Security Deed. Such a meeting may be convened by the Company or the Trustee and shall be convened by the Trustee if requested in writing by Subscribers holding not less than 10 per cent in principal amount of the Loan Notes for the time being outstanding (other than in respect of a meeting requested by Subscribers to discuss the financial position of the Company, which shall be requested in accordance with, and shall be subject to, Condition 6.2(b) (Information Covenants)).

The quorum at any such meeting for passing an Extraordinary Resolution is one or more persons holding or representing in aggregate at least 75 per cent in principal amount of the Loan Notes for the time being outstanding, or at any adjourned meeting one or more persons holding or representing in aggregate at least 75 per cent in principal amount of the Loan Notes for the time being outstanding, except that at any meeting the business of which includes a Reserved Matter, the quorum shall be one or more persons holding or representing in aggregate not less than 75 per cent in principal amount of the Loan Notes for the time being outstanding, or at any such adjourned meeting one or more persons holding or representing in aggregate not less than 75 per cent in principal amount of the Loan Notes for the time being outstanding. The Trust Deed defines "Extraordinary Resolution" as a resolution expressed as such and passed at a duly convened meeting of the Subscribers by a majority consisting of not less than 75 per cent of the persons voting at such meeting upon a show of hands or if a poll is duly demanded by a majority consisting of not less than 75 per cent of the votes given on such poll. An Extraordinary Resolution passed by the Subscribers is binding on all the Subscribers, whether or not they are present at any meeting and whether or not they voted on the resolution.

- (a) A resolution in writing signed by or on behalf of Subscribers holding not less than 75 per cent in principal amount of the Loan Notes for the time being outstanding or a consent given by way of electronic consents through the relevant clearing system(s) (in a form satisfactory to the Trustee) by or on behalf of Subscribers holding not less than 75 per cent in principal amount of the Loan Notes for the time being outstanding, shall, in each case, be as valid and effective as an Extraordinary Resolution passed at a meeting of the Subscribers.

13.2 Modification, Waiver, Authorisation and Determination

The Trust Deed provides that the Trustee may agree, without the consent of the Subscribers, to any modification of, or to the waiver or authorisation of any breach or proposed breach of, any of the provisions of the Trust Deed (including these Conditions), the Security Deed or any other agreement relating to the Loan Notes to which the Trustee is a party, or determine, without any such consent as aforesaid, that any Potential Event of Default or Event of Default shall not be treated as such, where, in any such case, it is not, in the opinion of the Trustee, materially prejudicial to the interests of the Subscribers so to do or may agree, without any such consent as aforesaid, to any modification which, in the opinion of the Trustee, is of a formal, minor or technical nature or necessary to correct a manifest error or an error which is, in the opinion of the Trustee, proven.

Any such modification, waiver, authorisation or determination shall be in writing, shall be binding on the Subscribers and shall be notified to the Subscribers in accordance with the notice provisions of the Security Deed as soon as practicable thereafter (unless the Trustee determines such notice is unnecessary).

13.3 Trustee to have regard to interests of Subscribers as a class

In connection with the exercise by it of any of its trusts, powers, authorities and discretions (including, without limitation, any modification, waiver, authorisation, determination or substitution), the Trustee shall: (i) have regard to the general interests of the Subscribers as a class (but shall not have regard to any interests arising from circumstances particular to individual Subscribers whatever their number) and, in particular but without limitation, shall not have regard to the consequences of any such exercise for individual Subscribers (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political sub division thereof and the Trustee shall not be entitled to require, nor shall any Subscriber be entitled to claim, from the Company, the Trustee or any other person any indemnification or payment in respect of any tax consequences of any such exercise upon individual Subscribers and (ii) shall not be required to have regard to the interests of any other secured parties.

14. Indemnification of the Trustee and Trustee Contracting with the Company

The Trust Deed and the Security Deed contain provisions for the indemnification of the Trustee and for its relief from responsibility, including provisions relieving it from taking action unless secured and/or indemnified to its satisfaction. The Trust Deed also contains provisions pursuant to which the Trustee is entitled, inter alia, (a) to enter into or be interested in any contract or financial or other transaction or arrangement with the Company or any subsidiary and (b) to accept or hold the trusteeship of any other trust deed constituting or securing any other securities issued by or relating to the Company or any subsidiary.

The Trustee shall not be bound to take any step or action in connection with the Trust Deed, the Security Deed or the Loan Notes or obligations arising pursuant thereto, where it is not satisfied that it is indemnified and/or secured against all its liabilities and costs incurred in connection with such step or action and may demand, prior to taking any such step or action, that there be paid to it in advance such sums as it considers (without prejudice to any further demand) shall be sufficient so as to indemnify it.

The Trustee shall have no responsibility for the validity, sufficiency or enforceability of the Company Security.

15. Contracts (Rights of Third Parties) Act 1999

No person other than the Trustee shall have any right to enforce these Conditions under the Contracts (Rights of Third Parties) Act 1999, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

16. Warranties and Undertakings

16.1 The Company undertakes to each Subscriber that:

- (a) it will fulfil the obligations imposed on it by this Deed;
- (b) it will comply with the provisions of the Loan Note certificates; and
- (c) the Loan Notes are held subject to and with the benefit of the terms and conditions set out in this Deed and are binding on the Company and the Subscribers and all persons claiming through or under them.

16.2 The Company warrants to each Subscriber from the date of this Deed, and at all times while such Subscriber holds the Loan Notes that:

- (a) it has the power and authority to issue the Loan Notes and to exercise its rights and perform its obligations under the Loan Notes;
- (b) it has the power and authority to enter into this Deed and to exercise its rights and perform its obligations under this Deed;
- (c) it has taken all necessary actions to authorise the execution, delivery and performance of this Deed; and
- (d) it has been duly incorporated and is validly subsisting under the laws of the jurisdiction in which it is incorporated.

17. Governing Law

17.1 These Conditions and any dispute or claim arising out of or in connection with them or their subject matter or formation (including non-contractual disputes or claims) shall be governed by and construed in accordance with the law of England.

17.2 the parties to this Deed irrevocably agree that the courts of England shall have exclusive jurisdiction to settle any dispute or claim that arises out of or in connection with this Conditions or their subject matter or formation (including non- contractual disputes or claims).
