Sectionto be completedbyallapplicants

Risk Warning: Your capital is at risk. By entering into this Loan Note you may lose all of your invested capital (but no more than that) and you will need to ensure that you are able to afford this loss. The Financial Services Compensation Scheme (FSCS) does not apply to this Loan Note, nor any other statutory or voluntary compensation scheme. Furthermore, your Note is illiquid. As such it may not be possible to sell your Note quickly or without substantial loss in value. The interest rate on Notes are not comparable to that of bank savings accounts and these Notes cannot be redeemed until maturity. There are various reasons why a business operating in the fields of litigation funding and ATE insurance may fail.

Past performance of equivalent businesses in these sectors is not a reliable indicator of future valuations or income streams. Your purchase of Loan Notes should therefore be part of a diversified investment portfolio. Any future downturn in the legal market, regulatory or legislative changes, the acts or omissions of the management team, geo-polit- ical impacts, etc. could have an adverse effect on the performance of Woodville Consultants Ltd, meaning that you may receive lower returns than you expected or potentially no returns at all. Neither Woodville Consultants Ltd nor it's agents have advised you or recommended that you purchase the Notes. If you feel that you need advice then we recommend that you take independent financial advice prior to purchasing the Note.

Important Notice

The loan amount should be paid to Woodville Consultants Ltd within 21 days of signing this Agreement.

Woodville Consultants Limited will pay the Lender interest at a rate of 10%, 11% or 12% gross per annum as selected in part 2 above, paid quarterly in arrears with the original capital invested returned at the end of the Term.

The Lender will be responsible for any fees incurred as a result of bank charges for wire transfer payments.
