8 August 2024

### Dear Mr Detnon and Mrs Detnon

Your NS&I Guaranteed Income Bond is reaching the end of its term, so now is the time to decide what to do next.

NS&I number:	<b>41 002 493 455</b>
First Holder's NS&I number:	<b>41 002 958 288</b>
Account number:	<b>506558345</b>
Maturity date:	<b>7 September 2024</b>
Value on maturity:	<b>£99,999.99</b>
Interest rate:	<b>6.03% gross/6.20% AER</b>
Term:	<b>1 year</b>
We need your instructions by:	<b>3pm on 5 September 2024</b>

Your options now are to:

### Option 1: renew for another 1-year term

On its maturity date your Guaranteed Income Bond will automatically start a new 1-year term at the new rate of **5.03% gross/5.15% AER**, unless you choose one of the other options. Even if the rates on offer for Guaranteed Income Bonds fall between now and the maturity date, you'll still earn the rate quoted above if you renew your investment for a further term of the same length. If the rates go up between now and the maturity date, you will receive the higher rate.

### Option 2: renew for a term of a different length

You may choose to keep your money in Guaranteed Income Bonds but invest for a different length of time. See the enclosed summary box for the terms and rates available.

If you choose this option, we will invest your money in the Issue that is on offer when your investment matures. The interest rates on offer could go up or down between now and the maturity date. We'll send you confirmation shortly after the renewal date.

### Option 3: switch to another NS&I account

You can move your money to any NS&I account that is on sale when your investment matures.

### Option 4: cash it in

You can cash in your Bond on the maturity date.

You can also choose two or more of these options if you prefer.

### What to do next

- If you're happy for your Bond **to renew for another term of the same length**, you don't need to do anything – we will reinvest your Bond automatically. **If you want to choose any of the other options, you'll need to let us know by 3pm on 5 September 2024.**

- **To reinvest for a term of a different length, or to cash in your Bond**, when logged in at **nsandi.com**, click 'View maturity options' for this investment on your homepage. You'll need your NS&I number and password. You can do this from 30 days before the maturity date.
- **To switch to another NS&I account**, visit **nsandi.com/switching** and complete the simple online form to switch to another NS&I account of your choice. To see what's currently on sale, visit **nsandi.com/products**

## Important – please read the customer agreement before you decide

If you renew your Bond, you are making a commitment to keep it for a further investment term. If you think you might need access to the money before the end of the new term, you may want to consider a different type of account.

## Your right to cancel

If your Bond automatically renews or you renew it for a different term, you'll be able to cancel it within 30 days of receiving confirmation of your new Bond. We'll then refund the full value of your new Bond with any interest due.

## Any questions?

Call us any time on **08085 007 007** or tweet us **@nsandihelp** and we'll be happy to help. We're here in the UK all day, every day. Calls from the UK are free. We may record your call to help us give you the best service.

Whatever your decision, we're here to help.

Yours sincerely

**Dax Harkins**

Director of Savings

---

## Definitions

**Gross** is the taxable rate of interest without the deduction of UK Income Tax.

**AER** (Annual Equivalent Rate) illustrates what the annual rate of interest would be if the interest was compounded each time it was paid.

## NS&I Guaranteed Income Bonds

# Key features

---

### What is NS&I's Guaranteed Income Bond?

Our Guaranteed Income Bond is an investment that pays interest monthly at a set rate over a fixed period of time (a term).

---

### The investment's key features:

- The Bond is designed to be held for the whole term. You can't cash it in before the end of the term.
- Interest is paid into your chosen bank account every month.
- Interest is taxable.
- Once you've invested in your Bond, you can manage it online, by phone or by post.
- You can cancel within 30 days of receiving confirmation of your Bond.
- Bonds are released in 'Issues'. Each Issue will have a set term and a set interest rate.
- Each Bond you buy must be for at least £500.
- You can invest up to £1 million per person (or £1 million per trust), in each Issue of each term (but there is no limit if you reinvest a Bond when it matures).
- You can invest jointly with one other person.

**Please also read the summary box.**

---

### About tax

If you are a UK taxpayer, you have a tax-free Personal Savings Allowance of £1,000 on the interest you earn on your savings (or £500 for higher-rate taxpayers). Find out more at [nsandi.com/tax-and-savings](https://www.nsandi.com/tax-and-savings)

The interest you earn on your Guaranteed Income Bond counts towards your Personal Savings Allowance, together with any interest you earn from other taxable savings.

## Guaranteed Income Bonds

# Customer agreement

---

### **1 February 2023**

This agreement is in two parts. It contains the account terms for our Guaranteed Income Bonds, and the general terms for saving with NS&I. Please read both parts carefully. If there are any differences between the account terms and general terms, then the account terms will apply. If there's anything you're not sure about, just get in touch and we'll be happy to help.

## **Account terms**

### **About our Guaranteed Income Bond**

---

#### **What is NS&I's Guaranteed Income Bond?**

Our Guaranteed Income Bond is an investment that pays interest monthly at a set rate over a fixed period of time (a term). At the end of the term the Bond matures, and you can then reinvest or withdraw your money. There is no access to your money during the term.

#### **How we sell Guaranteed Income Bonds**

We offer Bonds of different fixed terms in numbered Issues. You can buy and manage a Bond online, by phone and by post, although Bonds are not always on general sale.

Some Issues may be exclusively available:

- through certain sales channels (for example online)
- to existing Bond holders with maturing Bonds.

We can withdraw any Issue from sale without notice.

---

## Who can buy a Guaranteed Income Bond

- To buy a Guaranteed Income Bond, you must be at least 16 years old. You can buy a Guaranteed Income Bond for yourself, or with another person as a joint investment.
- You can also buy one for a trust as a trustee (including as a corporate trustee), either by yourself or jointly with other trustees. The beneficiaries of the investment must be named individuals.

---

## How to buy a Guaranteed Income Bond

If you're buying a Bond for yourself or as a joint investment, you can apply:

- online or by phone using your UK debit card
- by post using a personal cheque drawn on a UK bank or building society account you hold, or a banker's draft or building society branch cheque
- by switching money from another NS&I account, to buy a Guaranteed Income Bond. To find out how to switch, visit [nsandi.com/switching](https://www.nsandi.com/switching) or call us.

Once we accept your application, we will send you confirmation of your investment.

### Attorneys and deputies

If you're an attorney or deputy buying a Bond on behalf of another person, you will need to apply by post if your authority is not already registered with us. (Please see General terms – 'Applying as an attorney or deputy or as a trustee'.)

### Trusts

If you're buying on behalf of a trust, you can only do this by post.

---

## If you change your mind within 30 days

If you change your mind, you can cancel within 30 days of receiving confirmation of your Bond. You can do this online or by phone, or you can write to us.

---

## How much you can invest

- Each Bond you buy must be at least £500. You can invest up to a total of £1 million per person in any one Issue. You can buy as many Bonds as you like, up to this investment limit. Reinvesting the value of maturing Guaranteed Income Bonds does not count towards this limit.

### Joint investments

Half of the investment in a Guaranteed Income Bond held jointly counts towards each investor's limit.

### Trusts

There is an investment limit of £1 million for a trust in any one Issue. If you buy a Bond as a trustee, this doesn't count towards your own investment limit.

### Inherited Bonds.

If you inherit a Guaranteed Income Bond you can transfer it into your name even if it takes you over the investment limit for that Issue. However, you won't be able to buy any more Bonds of the same Issue.

---

## No withdrawals until maturity

A Guaranteed Income Bond is a fixed-term investment and has to be held for the full term. This means that you won't be able to reinvest or withdraw your money until it matures.

---

## What happens at maturity?

We'll contact you to let you know your options at least 30 days before your Bond matures. Your options will normally be to:

- reinvest your money in a new Bond of the same term (which will normally happen automatically if you don't give us different instructions)
- reinvest your money in a new Bond of a different term
- cash in your Bond to get your money back, together with interest.

We may decide to stop offering Guaranteed Income Bonds, or Bonds of a particular term, but we'll let you know if we do this.

## **Joint investments**

Either of you can give us instructions independently about what to do when your Bond matures. If we receive more than one set of instructions, we will accept the latest instructions we receive before the deadline we give. However, we won't do this if you tell us of a dispute between you (see 'General terms – Joint accounts: Disputes').

---

## **Interest**

Your Bond earns interest at the fixed rate every day. We pay the interest to your nominated account each month on the same date of the month as you bought your Bond, or the next banking day if this date is not a banking day.

We pay interest without deducting tax. The interest is taxable income for the purposes of UK income tax, so you may need to declare it.

---

## **Keeping track of your Bond**

You can check your investment at any time by logging in at **nsandi.com** or by calling us. We will send you a statement in April each year, showing any interest we've paid. We'll also send you a closing statement on maturity.

---

## **If a Bond holder dies**

If the Bond holder dies, the money in the Bond will become part of the holder's estate. The Bond will continue to earn interest.

---

## **Guaranteed Income Bonds and the law**

Guaranteed Income Bonds are UK Government securities issued under the National Loans Act 1968, and the National Savings (No 2) Regulations 2015. We have tried to make sure that there are no conflicts between this customer agreement and the legislation but, if there is a conflict, the legislation will take precedence.

# General terms

## Saving with NS&I

These general terms set out what you can expect of us, and what we need you to do, so that everything runs smoothly when you save with NS&I. Because the general terms aren't specific to any particular account, some sections may not apply to the account you have. Please read the account terms in full to understand what does apply.

---

### Becoming a customer and opening an account with NS&I

When you first apply to open an account with NS&I, you are asking to enter into an agreement with us.

- We'll need to confirm a few things before we accept your application. Most importantly, we're required by law to check your identity and address. We may check your identity and address again at any time.

We normally use credit reference agencies to do this. If we do need documents from you we'll tell you what we need, and by when. If you need to send them by post, you may want to use a registered mail service. We're not responsible if they're lost or delayed.

Your agreement with us starts when we tell you that we've accepted your application (unless we give you a different start date). We will treat the account as being opened on the date we received your deposit – if it's another date, we'll tell you. The agreement ends when you stop being our customer under the terms of this agreement.

We accept most applications, but sometimes we reject an application, for example if you haven't provided all the information we need. If we reject your application, we'll refund your money.

If you are applying on behalf of someone else, you confirm that they agree for you to do this and that you've shown them this agreement.

You are not eligible to open an account if you are an undischarged bankrupt or don't have legal capacity.

---

## How you can manage your account with us

Generally, our accounts can be managed online, by phone or by post. To find out how you can manage your account, check the account terms.

### Managing accounts online and by phone

- You'll need to be registered to manage your account online or by phone. If you apply for an account online or by phone, we will register you at the same time – or you can register by visiting our website. We'll ask you to choose a password and provide other security information. You can change your password and other security information online or by calling us.

We aim to provide our online service 24/7, but there will be times when it is unavailable. This might be when we need to carry out maintenance or upgrades, or if we have technical problems, which interrupt the service. If there's a problem, we will do our best to fix the service as soon as possible.

We may withdraw or restrict the service if we need to do so to protect our customers. If this happens, we will let you know as soon as possible, either personally or by putting a message on our website. We may end all or part of the service at any time by giving you reasonable notice.

We may introduce new ways of interacting with us, such as apps for smartphones and tablets. They may have their own terms of use, which we'll ask you to read and accept before you start using them.

### Managing accounts by post

If you manage an account by post, there will be forms to use. You can download and print most of our forms from our website, or you can call us and we'll send you any form you need. You must provide all the details we ask for on the form. If anything is missing, unclear or incorrect, we may not be able to act on your instructions straight away, as we'll need to contact you for more information.

- If you send a cheque or banker's draft to invest, please make it payable to 'NS&I'. The cheque must be drawn on a personal UK bank or building society account in your own name.

---

## Applying as an attorney or deputy or as a trustee

If you act as an attorney or deputy for another person, your first application to open an account must be by post (even for online or phone accounts). You'll need to enclose the original (or a certified copy) Power of Attorney or Court of Protection Order. You can call us to ask for an application form, or download it from our website. Once the account is open, you can view it and may be able to make certain transactions online or by phone – see [nsandi.com/poa](https://nsandi.com/poa) for details. You will also be able to open other accounts online or by phone for the same person.

If the account terms allow, you can open an account as a trustee either by yourself or jointly with other trustees. If there are more than two trustees, we may require all trustees to give their details. For trust accounts, we normally accept instructions only if they are signed by all the required signatories. This means that trustees won't be able to use our online and phone service.

---

## Keeping each other informed

We will give you information about your accounts and provide regular statements. If we need to contact you, we will call you, write to you by email, text message or letter, or contact you through our online service.

- You must tell us whenever you change your name, address, phone number, email address, or nominated account. You can update most of these details online or by contacting us using the details at the end of this agreement.

---

## Changes to this agreement

We may change this agreement at any time. Unless the account terms say otherwise, we will usually give you two months' notice before a change takes place. If you don't agree to the change, you can close or transfer your account before the change comes into effect. The new terms will apply if your account remains open.

- You can find the most up to date version of this agreement at [nsandi.com](https://nsandi.com), or ask us and we'll send you a copy.

---

## About our interest rates

### How rates are set

Our interest rates and Premium Bonds prize fund rate are set by HM Treasury and may change from time to time.

Changes typically take into account:

- gilt prices, the Bank of England's base rate, and other publicly-listed market rates
- interest rates paid or charged by other financial institutions
- the government's borrowing requirements
- our administration costs
- decisions by relevant ombudsmen
- regulatory requirements
- any codes of practice we subscribe to.

Remember that if inflation is higher than the account interest rate, it will reduce the true value of the money in your account over time.

### Changes to variable interest rates

When our rates change, we'll update our website and literature.

If the interest rate for your account goes down, we'll contact you personally at least two months before it takes effect. If you don't agree to the new interest rate, you will be able to close or transfer your account at any time before the change. The new interest rate will apply if your account remains open.

We won't contact you personally if the interest rate for your account goes up.

### Changes to fixed interest rates

From time to time we will introduce new issues of fixed rate accounts with different interest rates. We will not usually give advance notice of this.

If the interest rate for your account is fixed for a period of time, then no interest rate changes will apply during that period. At the end of that period, we may offer you the opportunity to renew your account for another fixed term. If so, the interest rate may be different.

## **Changes to Premium Bonds prize fund rate**

We will give advance notice of changes to the prize fund rate, prize draw structure and odds by publishing adverts in a range of newspapers and by updating our website.

---

## **Paying money in**

All deposits you make must be in pounds sterling, sourced from a UK bank or building society account in your name. If using a debit card, this must be issued by a UK bank or building society and belong to an account in your name. ('UK bank' means a credit institution as defined within the FCA Handbook Glossary.) The date of each deposit will be the date we receive your cheque, card authorisation or bank transfer. We don't accept aggregator payment cards, credit cards or money from non-UK financial institutions.

---

## **How long deposits take to clear**

You can only take money out if you have enough cleared funds in your account. An electronic transfer deposit received by 18:30 on a banking day will normally clear no later than the next banking day. Debit card and cheque deposits will clear no later than the seventh banking day after being received.

---

## **How we make payments to you**

- When you make a withdrawal or receive a payment from us, we usually pay the money into your nominated account.

### **Your nominated account**

For each account you have with us, you will need to give us the sort code and account number for a personal UK bank account or building society account in your name. We refer to this as your 'nominated account'.

If we don't have your nominated account details, we may ask for them before we pay you. Alternatively, we may pay you by warrant (like a cheque) which we'll send by post. In this case, we'll treat the date of payment as the date on the warrant.

---

## How long it takes to receive your payment

The time it takes to receive your payment depends on which NS&I account you have, how much you want to withdraw and how you give us your withdrawal instruction.

### Payments out of Direct ISA, Direct Saver, Income Bonds, and Investment Account

- Giving your instruction online or by phone:  
The payment will normally reach your nominated account by the end of the first banking day after the day we receive your instruction.
- Giving your instruction by post:  
When we receive your instruction on a banking day before 13:00, we'll process it on the next banking day. The payment will then normally reach your nominated account on the banking day after that. If we receive your instruction after 13:00 on a banking day, or on a Saturday, Sunday or bank or public holiday in England and Wales, we'll act as if we received it on the following banking day.
- Withdrawing larger amounts:  
For withdrawals above a certain amount (see [nsandi.com/payments](https://www.nsandi.com/payments) or call us), the time it takes to receive your payment will be the same as for other NS&I accounts, as outlined below.

### Payments out of other NS&I accounts

- Giving your instruction online or by phone:  
When we receive your instruction on a banking day before 20:00, we'll process it that day. The payment will normally reach your nominated account two banking days after that. If we receive your instruction after 20:00 on a banking day, or on a Saturday, Sunday or bank or public holiday in England and Wales, we'll act as if we received it on the following banking day.
- Giving your instruction by post:  
When we receive your instruction on a banking day before 13:00, we'll process it on the next banking day. The payment will then normally reach your nominated account two banking days after that. If we receive your instruction after 13:00 on a banking day, or on a Saturday, Sunday or bank or public holiday in England and Wales, we'll act as if we received it on the following banking day.

---

## **Protecting your money**

We take steps to keep your money safe and your accounts secure, and ask that you do the same.

### **Tell us if something doesn't look right**

Let us know immediately if anything doesn't look right on any information we provide to you, if you notice any suspicious activity on your account, or if you think your security has been compromised.

### **Looking after your security information**

If you manage your account online or by phone, we use your password and security information to identify you. We will treat instructions as genuine if the person giving the instructions has used the correct password and security information. For your own security, you must keep your password and security information safe and take all reasonable steps to prevent anyone else from accessing your accounts.

For example:

- don't let anyone know your password and security information (and we will never ask for the whole password over the phone)
- don't keep your password and security information in a way that someone else could easily find them out
- don't leave your device unattended while you are logged in to our service.

### **If you believe someone else has your security information**

If you believe or suspect that someone else has found out your password or security information, go online and change your password and other security information straight away.

If you know or suspect that your password or other security information that you use to manage your account online or by phone have been lost, stolen or used by someone else without your permission, you must tell us as soon as you can by calling us. We may ask for this to be confirmed in writing.

We will never contact you to ask you to tell us your password or security information. If you receive a request like this from anyone, even if they are using our name and logo, do not provide any information to them. Instead, you must report this to us immediately.

### **If we suspect fraud or security threats**

We will contact you by phone or post if we suspect fraud or security threats to your account, unless we're prevented by law.

---

### **If there's a problem with a payment**

Please tell us if there's a problem with a payment. If you believe there has been a payment from your account that you didn't authorise, or if you believe we haven't properly made a payment you have instructed us to make, you must tell us as soon as you can – please use the contact details at the end of this agreement. We'll do everything we can to put things right.

### **If there's a payment you didn't authorise**

If you didn't authorise a payment from your account, we will normally return the account to the position it would have been in had the unauthorised payment not happened. This includes refunding the payment, and paying any interest or prizes you've missed out on. We will not have any further responsibility to you.

We will not make any refunds or payments if the unauthorised payment happened because either:

- you didn't take reasonable care to comply with 'Protecting your money'
- your password or security information had been lost or stolen and you didn't tell us as soon as you could.

However, we will normally refund unauthorised transactions:

- that happen after you tell us that your password or security information has been lost or stolen
- if it's our fault that you haven't been able to tell us that there is a problem.

In no circumstances will we make a refund or payment if we suspect you're involved in fraud.

We will contact you by phone or post if there are suspected or actual fraud or security threats to your account, unless we're prevented by law.

**If you don't receive a payment**

If we make a payment from your NS&I account to your nominated account and you don't receive it, we'll refund the money to your NS&I account as soon as we can, together with any interest you would have earned on the money had it not left the NS&I account. However, we won't do this if you gave us the wrong sort code and/or account number, or if we can show that the payment did in fact reach your nominated account.

**If you give us incorrect details**

If you provided us with the wrong details for your nominated account and a payment goes astray, we'll do what we can to retrieve the money and let you know the outcome, but we will not be responsible. If we can't recover the money, you can ask us for all available relevant information so you can file a legal claim for repayment. We will provide this information to you (except where it would be unlawful for us to do so).

**If we don't make money available in the times we have agreed**

If you pay money into an NS&I account but we don't make it available when agreed, we will back-date the credit to your account so that it is as if you received the money when you should have done.

**If you receive money by mistake**

If money gets paid into your account by mistake, you must tell us. We can take it back and return it to the payer. If we are unable to get the money back from you, we may have to give the payer relevant information to help them get the money back from you. This includes giving them your personal information.

---

**Carrying out your instructions**

We'll do our best to carry out your instructions without delay. There may be some situations, however, when we can't do this.

**Stopping, suspending or restricting online and phone payments**

If we identify a risk to the security of your account, we may stop, suspend or restrict your ability to make payments out of your account online or by phone. An example of a security risk could be if we suspect that someone else is attempting to access your account without your permission.

We will try to let you know before we stop, suspend or restrict your ability to make withdrawals online or by phone, and we'll give you our reasons for doing this. We will use the contact details we have for you.

We will not tell you if there are legal reasons that prevent us, or if telling you would compromise security.

We will let you make withdrawals online or by phone normally again as soon as we believe that there is no longer a risk to the security of your account.

### **When we can refuse instructions**

We may refuse to carry out your instructions (including an instruction to make a payment) if:

- we suspect fraud
- we believe the person giving the instructions is not entitled to give them
- the instructions are unclear, incomplete, or if you do not give them in the way we ask you to
- carrying out the instructions would place us in breach of law, regulation, or code of practice.

We'll always try to tell you if this happens, and why – unless we're legally prevented from telling you.

### **When we can close your account**

We may close your account at any time by giving you at least two months' written notice.

In some situations, we can decide to close your account immediately.

We may do this if:

- we think that anyone named on your application has provided false information
- we suspect that you are using your account for an illegal purpose
- you were not entitled to apply for, or hold, the account
- you have not kept to this agreement
- we have any other valid reason for doing so.

We'll let you know if we have to do this.

---

## **Joint accounts**

### **Each account holder can give instructions independently**

If an account is held jointly, the account is the joint property of both account holders. This means that both account holders hold the account and own the money in it. Each account holder can independently:

- use the account with their own password and security information
- make deposits and withdrawals
- give any other instruction about the account.

For the Investment Account, you can choose to manage the account together or independently.

### **Correspondence**

We write to the account holder named first on the application to open the account.

### **To remove an account holder from a joint account**

You both need to agree if you want to remove one of the account holders.

### **If a joint account holder dies**

If one account holder of a joint account dies, the surviving account holder will get ownership of the account, and they will be able to manage the account on the same terms as when it was jointly held.

### **Disputes**

If either of you tells us of a dispute between you, or asks that we should only accept instructions from both of you, you will no longer be able to use our online and phone service to give us instructions. Instead, you'll only be able to give us instructions by post, signed by both of you. Once you both let us know that the dispute has been resolved, you may be able to use our online and phone service again.

---

## **How we use your information**

We treat all the information you give us about you and others as private and confidential.

We respect your right to privacy and understand the importance of protecting the personal information that we hold. See our privacy notice for full details – available at [nsandi.com/privacy-notice](https://nsandi.com/privacy-notice) or by calling us.

---

## **If you're not happy about something**

### **Complaints**

If we make a mistake we'll aim to put things right quickly and without fuss, and we have a procedure designed to resolve complaints effectively and fairly.

### **How to complain**

- call us on 0800 092 1286 (free from the UK)
- visit [nsandi.com/contact-us-email](https://nsandi.com/contact-us-email)
- write to the Customer Care Team at the address at the end of this agreement.

### **If your complaint is not resolved to your satisfaction**

If you disagree with a decision we have made, you may be able to refer your complaint to the Financial Ombudsman Service free of charge. This is an organisation set up by law to give consumers a free and independent service for resolving disputes.

You can call them on:

- **0800 023 4567** (free from the UK) or
- **0300 123 9123** (charged at the same rate as **01** or **02** numbers on mobile phone tariffs).

You can also:

- visit [financial-ombudsman.org.uk](https://financial-ombudsman.org.uk) or
- write to them at Exchange Tower, London E14 9SR.

### **If you need more information**

To find out more about our complaints process, download our complaints brochure at [nsandi.com/complaints](https://nsandi.com/complaints), or contact us and we'll send one to you.

---

## **About this agreement**

Our agreement (including any non-contractual obligations arising out of it) will be governed by and interpreted in accordance with English law. The courts of England have exclusive jurisdiction to settle any dispute arising in connection with any agreement between you and us (including in relation to any non-contractual obligations). Each agreement is concluded in English.

## About NS&I

NS&I (National Savings and Investments) is both a government department and an executive agency of the Chancellor of the Exchequer, and our role is to provide finance for the government of the day by offering accounts to personal customers. NS&I acts under the authority of the Director of Savings – a role created by law to carry out the business of the National Savings Bank. Where we say ‘we’, ‘us’ or ‘our’, we mean NS&I acting as the Director of Savings (or under his or her authority). These general terms and the terms for all our accounts are made under the National Loans Act 1968 or the National Savings Bank Act 1971. NS&I’s head office is at Sanctuary Buildings, 20 Great Smith Street, London, SW1P 3BT.

NS&I is backed by HM Treasury, the government’s economic and finance ministry. HM Treasury maintains control over public spending, sets the direction of the UK’s economic policy and works to achieve strong and sustainable economic growth. It is based at 1 Horse Guards Road, London SW1A 2HQ.

This is a summary of the main features of our Guaranteed Income Bonds, to help you compare them with other savings accounts. Please make sure you also read our separate key features leaflet, including the customer agreement (terms and conditions), before you buy a new Bond or renew a maturing Bond.

**Account name****NS&I Guaranteed Income Bonds****What is the interest rate?**

**1-year term  
Issue 80** Only available to customers renewing a maturing Bond  
5.03% gross/5.15% AER

**2-year term  
Issue 69** On general sale  
4.50% gross/4.60% AER

**3-year term  
Issue 72** On general sale  
4.26% gross/4.35% AER

**5-year term  
Issue 64** On general sale  
4.02% gross/4.10% AER

We calculate the interest daily and pay it to your bank account once a month.

**Can NS&I change the interest rate?**

You'll receive the rate on offer at the time you start a new investment term, and that rate will be fixed for the length of your chosen term. We can change the fixed rates on offer at any time. Each time we change the rate on offer we release a new Issue of Bonds. We can also withdraw any Issue from sale without notice.

**What would the estimated balance be at the end of the term based on a £1,000 deposit?**

**1-year term  
Issue 80** A £1,000 deposit would earn £50.30 interest by the end of the 1-year term.

**2-year term  
Issue 69** A £1,000 deposit would earn £90.08 interest by the end of the 2-year term.

**3-year term  
Issue 72** A £1,000 deposit would earn £127.93 interest by the end of the 3-year term.

**5-year term  
Issue 64** A £1,000 deposit would earn £201.19 interest by the end of the 5-year term.

The interest is paid out monthly so the balance would remain at £1,000 at the end of each term. These are illustrations only, so they don't take into account your individual circumstances.

## How do I open and manage my account?

The current Issues of 2-year, 3-year and 5-year Guaranteed Income Bonds are on general sale. The current Issue of 1-year Bonds is only available to existing customers renewing a maturing Guaranteed Income Bond.

### Buying a new 2-year, 3-year or 5-year Bond

The Bonds are for customers aged 16 or over. You can hold them in your own name or jointly with one other person. You can also hold them in trust for one or more individuals.

You can:

- apply for your Guaranteed Income Bond online only
- invest at least £500, paid by a debit card in your own name, issued by a UK bank
- invest up to a total of £1 million per person in the current Issue

If you want to switch to a 2-year, 3-year or 5-year Guaranteed Income Bond from another NS&I account or investment, visit [nsandi.com/forms](https://nsandi.com/forms)

### Renewing a maturing Bond

You can renew your Bond online or by phone if you are registered for this service; you can also renew by post. The minimum amount you can renew is £500.

As the current Issue of 1-year Bonds isn't on general sale, you can't switch to them from another NS&I account or investment.

---

## Can I withdraw money?

No, a Guaranteed Income Bond is a fixed-term investment that has to be held for the full term. This means that you won't be able to access your money until it matures.

We'll contact you to let you know your options at least 30 days before your Bond matures.

---

## Additional information

We pay your interest without deducting any tax. However, the interest is taxable so it will count towards your Personal Savings Allowance. Find out more at [nsandi.com/tax-and-savings](https://nsandi.com/tax-and-savings)

We'll send you a statement in April each year, showing the interest you've earned and your balance. You can choose to receive your statements electronically or by post.

---

## Definitions

**Gross** is the taxable rate of interest without the deduction of UK Income Tax.

**AER** (Annual Equivalent Rate) illustrates what the annual rate of interest would be if the interest was compounded each time it was paid.
