IMPORTANT NOTES

- This illustration is provided to you for guidance only and does not form part of your contract. The illustrated benefits are not guaranteed and do not represent the minimum or maximum returns that may be achieved from the Investment Options selected and you may not get back the full amount of contributions made.
- ¹ Three illustrated growth rate scenarios are provided, including 0% to demonstrate the impact of all contract charges. Please ensure that those growth rates specifically selected are broadly representative of the investment returns you expect to receive bearing in mind your overall attitude to investment risk and the Investment Options selected. Note that the growth rates do not account for the underlying external funds costs.
- ² The Fund Value shows the value after all contract charges (except for surrender charges if applicable) have been deducted.
- ³ The surrender value or maturity value is the amount you will receive at surrender or maturity. This is the amount you will get if you surrender the contract, after surrender charges. Please note that bank charges and foreign currency conversion charges may also apply.
- For the purpose of this illustration, contributions, Investment Options selected and benefits are assumed to be in contract currency. Exchange rate fluctuations may affect the value of the benefits.
- Past performance is not a guide to future performance. The unit prices can fall as well as rise. Therefore, the value of your benefits may be less than the total contributions paid.
- The effects of inflation may reduce the purchasing power of the illustrated benefits. Monetary charges, where applicable, are assumed to increase by 3% per annum from the illustration date. If the growth rate selected is more than 7.5% then monetary charges are assumed to increase by the growth rate less 4.5%.
- This illustration takes into account any mandated agent fee arrangements that have been authorised at the date of this illustration.
- This illustration makes no allowance for any taxes due on this contract such as local taxes on product charges, where applicable. The tax treatment of this contract will depend on your country of residence or citizenship and other personal circumstances. If you are in doubt over your circumstances, you should consult your own professional tax advisor.
- If the contract is surrendered early, then you may not get back the full amount of contributions made.
- This illustration should be read in conjunction with the Product Literature and Contract Terms and Conditions applying to the product.
- We recommend that you speak to your financial advisor and/or tax professional to ensure that you take the most suitable course of action for your particular circumstances. If you don't have a financial advisor and/or tax professional, you should consider appointing one as they can give you specific professional and specialist advice regarding options available to you.
