

This document sets out the standard execution-only commission tariffs agreed specifically for clients and advisors. These will apply, subject to any special arrangements that we may make for any particular transaction or series of transactions, in relation to all transactions effected for you on and following the below date until further notice. This document forms a part of the Terms of Business issued by us and where applicable replaces any relevant tariff sheet previously issued.

We reserve the right to vary these rates by written notice to you from time to time. Any such notice will apply in relation to all instructions received on transactions effected after the date on which it is given to you or, if later, the date on which it is expressed to take effect. Elements of the fees and charges detailed below will be shared with your advisor, from whom details of any sharing arrangements can be obtained.
